

Jeremy Fish

*100 Cheers for 100 Years*

Jeremy Fish moved to San Francisco from upstate NY to attend SFAI. He graduated with a BFA in 1996. Since then, Fish has been a force both locally and nationally. As an illustrator he's worked for major clients like Nike and Volkswagen. His fine art and products such as shoes, hats, t-shirts and bags can be seen and purchased through Upper Playground. He's closely associated with the Fecal Face/Juxtapose Magazine community and has over 400,000 people that follow his work on Facebook.

Ready. Set. San Francisco.
